Contemporary Living in the Heart of Shaw

Set in the heart of vibrant Shaw, don't miss this rare chance to enjoy spacious and modern luxury living in the highly sought-after Rhapsody Condominiums' second largest unit. This unique three-bedroom, upper floor, corner home has the WOW factor spreading over almost 1400 sqft. From its expansive floor-to-ceiling windows, natural light streams throughout the open-floor plan apartment all day long and is accompanied by stunning open city views of the Washington Monument. What could be better than enjoying a recently renovated kitchen outfitted with all new stainless-steel appliances and pristine white modern subway tile backsplash and granite countertops. A brand new Whole Foods across the street, adding desirable convenience and appeal to a trendy neighborhood already rich in restaurants, bars, shopping, famed music venues and the reputable Landmark Theatres. You're a stones throw away from the U street corridor.

At home, revel in the quiet privacy of three luxurious windowed bedrooms boasting fully built-out closets and blackout shades (one or two bedrooms can easily be used as bright offices). Beautiful hardwood floors, high ceilings, ample closet space and brand new in-unit washer and dryer add to the home's move-in ready appeal. The building's private and massive rooftop provides the perfect outdoor escape and entertainment space. Complete with ample seating, grills and a lookout deck, take in stunning 360 degrees cityscape views and magnificent sunsets. Known for its luxury amenities, the Rhapsody offers controlled building access and a fitness facility. TWO indoor PARKING SPOTS and a large storage unit in the building complete this all-inclusive offering.

Between Shaw's walkability and easy access to the nearby Metro, bike shares, and buses, convenient living and commuting is a way of life here. A perfect place to live and commute to Amazon HQ2 once live! An upscale destination in one of DC's most dynamic neighborhoods, 2120 Vermont AVE NW #523 is a home that will never go out of style.
