Stunner in Silver Spring

Tucked away on an idyllic Silver Spring street, a one-of-a-kind home awaits discovery. Welcome to 9219 Woodland Drive, a 4-bed, 3-bath retreat that unites elegant charm and creative design all under one roof. Thanks to impressive landscaping (including a new flagstone walkway) and a picturesque facade, this home is brimming with curb appeal that sets the tone for what you'll find within: a striking space where you can expect the unexpected. Step inside to be dazzled by cathedral ceilings, hardwood floors, custom touches, and skylights that bask the entire space in the sun's warm glow. The first of many flexible living areas boasts built-in shelving, while the dining room across the hall is the perfect backdrop for casual breakfasts and celebratory occasions alike. The intuitive floor plan leads to the state-of-the-art kitchen, a stylish and spacious chef's haven which has been completely redone to make room for premium fixtures and appliances. And just off the kitchen, you'll find yet another living area that opens out onto a private back patio—the perfect place for entertaining guests or unwinding after a long day. From there, you can walk down the steps into your expansive, peaceful, and fenced-in backyard, or head back inside to explore the first of four bedrooms, located on the main floor. Wander downstairs to discover a fully finished basement outfitted with brand new carpeting as well as a completely updated in-law suite, newly restored home office, and freshly renovated bathroom. Two levels up, both bedrooms boast coveted advantages of their own. The spacious and sunlit Primary Suite comes complete with a walk-in closet and an updated, spa-like master bath, while the second lofted bedroom has been thoroughly refinished and designed to impress. Set in the sought-after Silver Spring neighborhood, this home combines the best of residential allure with the perks of urban access. Residents here enjoy the dynamic blend of ethnic eateries, scenic streets, and entertainment at their fingertips—without giving up easy access to the Metro or the sights and sounds of Downtown DC. The standout home of the season, 9219 Woodland Drive is your chance to have it all.
