Beautifully Renovated English Cottage

Welcome to this beautifully renovated English cottage steeped in bucolic charm by Francis Development. 1009 South Noyes is no ordinary place to call home! This fully renovated 4-bed, 4.5-bath single-family haven set in Woodside Park has been meticulously reimagined with your comfort in mind — without compromising on style. Beyond the picturesque facade, a welcoming interior backdrop awaits, complete with light wood wide plank floors and thoughtful details throughout. The gourmet kitchen — finished in white and gold accents — features a wood-stained chimney hood with hand-painted ceramic tile, Quartz countertops, and a Thermador appliance package. Across the kitchen, you'll find a spacious, wraparound porch deck (that's partially screened-in) where you can dine alfresco, mosquito free. Meanwhile, a cozy family room encourages you to make yourself right at home, thanks to a gas log fireplace that exudes warmth. On the second floor, you'll find three sunlit bedrooms, including the marble-and-gold-accented Primary Suite that comes with its own spa-like ensuite bathroom. Another level up, a third-floor lofted bedroom with ensuite bath is the perfect space to unwind and recharge — no matter what the next day's adventures hold. And last but not least: a walkout basement with laundry facilities and full bath doubles as an entertaining hub made for year-round enjoyment. Tucked away on a tree-lined street in Woodside Park, Silver Spring, this show-stopping home has a location that only adds to its impressive appeal. A residential enclave known for its dense woods and sweeping lawns, Woodside often feels like a world away — even though it's just moments from the bustling center of Silver Spring. Explore the many parks and green spaces found in your backyard, sample the eclectic culinary scene of Silver Spring, access the sights and sounds of DC with ease, and return home to your pastoral haven for a well-deserved reprieve from it all. A home where comfort and elegance collide like never before, 1009 South Noyes is the can't-miss opportunity of the spring season.
