## Picturesque Bungalow on Chesapeake Street

Tucked away on a charming Tenleytown Street atop a 7,626 square foot lot, one picturesque bungalow — originally built in 1925 — is your key to idyllic living at its finest. Welcome to 3714 Chesapeake Street NW, a 4-bed, 3-bath escape with a 1-car garage where comfort and contemporary style collide. Beyond the home's captivating facade, you'll find a beautifully renovated space heightened by soaring ceilings, hardwood floors, and ample natural light throughout. The main living area features a fireplace and custom shelving, while around the corner, a spacious dining room is perfectly positioned to accommodate all your day-to-night dining adventures. Steps away, the gourmet chef's kitchen serves up stainless steel appliances, granite countertops, and a breakfast bar that fits seamlessly into your everyday routine. The first of four bedrooms is also found on this level, in addition to a conveniently-placed full bathroom. Head upstairs to discover a spa-like bathroom and two more bedrooms — both spacious and sunlit — including the stunning Primary Suite that boasts two expertly designed closets. Two levels down, the home's expansive basement, where the fourth and final bedroom is set, provides the ultimate backdrop for your new home office, in-law suite, fitness studio, or recreation center — based on whatever your lifestyle demands. And last but not least: back on the main floor, the dining room opens out onto your very own outdoor deck, an alfresco advantage that offers quintessential views of the private, fenced-in oasis below. Nestled on a coveted block mere minutes from the Tenleytown Metro, this home has a location that's hard to beat. Stroll the scenic streets at your doorstep, sample the culinary scene in your backyard, shop for boutique threads, run everyday errands with ease, and simply hop on the Metro to reach other notable DC destinations without hassle. A home designed exclusively for the discerning buyer, 3714 Chesapeake Street NW is all you need to make your real estate resolutions come true.
