Have It All At The Car Barn!

Beautiful townhome style 2 bedroom 2.5 bathroom on 2 levels offered at the renowned Car Barn. This condo lives larger than many row homes on Capitol Hill with space to better accommodate our lifestyles. This home has great flow and generous room sizes with lots of windows. The entrance is behind the gate on the A Street side. Upon arriving at the top of the stairs is revealed a spacious open living room and dining with gleaming hardwood, built-ins, and a wood burning fireplace. This space is inviting for both comfortable day-to-day living and for entertaining. Additionally, there is a convenient first floor powder. There are 2 large second floor bedrooms with multiple windows each with its own ensuite bathroom. New premium carpet was installed on the stairs and in the bedrooms. Large walk-in closets and the sellers have maximized the generous storage space throughout. One reserved parking space!
