Gorgeous Contemporary Condo in Highly Sought-After 400 Mass Condominium

This upperfloor, south facing unit boasts massive windows, great natural light, and rich hardwood flooring that warms the large, open spaces. The spacious kitchen features stainless steel appliances, granite countertops, and ample storage. Packed with amenities, residents enjoy a spacious community room, billiards room, fitness center, business center, security, 24/7 front desk and more. The fabulous rooftop terrace with gas grills, swimming pool, and sweeping views of the city will be a favorite spot to unwind. Everything you need is at your doorstep with a 24-hour CVS right downstairs along with endless dining, retail, and entertainment options. Commuting around or out of the city will be a breeze with metrobus outside, I-395 one block away, and Gallery Place, Judiciary Square and Mt. Vernon Square metros only three blocks away. Condo fee includes free FIOS internet. Rental garage parking available.
