End-Unit, Amazing Location and Outdoor Space? Say No More!

Get ready to make Morgan Street your new home! Situated on a quiet, belt of brick homes, this spacious end-unit townhouse, spanning two levels, is not to be missed. Enter into a charming foyer and discover a bright living room, complemented by french doors and built in bookcases for displaying life's treasures. Beyond, the dining area awaits, with enough space to host large or intimate gatherings. The breakfast bar opens to a welcoming kitchen, where you'll find stainless steel appliances, recessed lighting, and ample cabinet space. Travel past the smartly tucked away laundry to a private, fenced-in patio with a generous storage shed. Ascend the stairs to discover two large, sun-drenched bedrooms as well as a sleek hall bath. The upstairs level also features a third bedroom, large enough to serve as your new work from home space or a nursery.

Just minutes to the best restaurants Mount Vernon Square has to offer, including Kinship, Rumi's Kitchen, The Dabney, Espita, Alta Strada, Busboys and Poets and more! Due to Morgan Street's central location, the popular Shaw neighborhood is also at your fingertips. Gearing up to explore the city or simply travel downtown for work? This home provides easy access with its close proximity to two metro stops (Mt. Vernon Square and Noma/Gallaudet). Looking to get out of town for the weekend? You'll find 395 just minutes away for an effortless escape. Grocery stores and fitness centers (take a dip in the Dunbar pool!) are just around the corner. At 200 Morgan you can truly have it all - don't wait to call this beautiful home yours today!
