## Modern Elegance Meets Thoughtful Design in Eckington

Elevated design meets boutique living in this 3-bedroom, 3.5-bath residence in Eckington, where soaring ceilings, exquisite finishes, and a thoughtfully designed two-level layout create an exceptional city retreat. One of just two units in an exclusive condo building, this home seamlessly blends style and functionality for modern urban living.

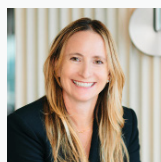

Step inside to white oak hardwood floors, towering ceilings, and 8-foot doors that enhance the sense of space. The open-concept living, dining, and kitchen area is bathed in natural light, featuring a large picture window and a cozy dining nook. The chef's kitchen is a true showpiece, complete with Calacatta Laza Quartz countertops, Bosch stainless steel appliances, and a generous eat-in island—perfect for entertaining. A powder room on the main level adds convenience.

The main-level primary suite is a serene oasis, offering ample space and a private balcony. Downstairs, the lower level boasts two additional bedrooms, two full baths, laundry, and a flex space ideal for a home office or fitness area. The spa-like bathrooms showcase designer tile, floating vanities, and LED mirrors for a sleek, modern touch. Ideally located near Big Bear Café, Pub and the People, Union Market, Trader Joe's, Harris Teeter, and the NoMa Metro, this home places the best of city living at your doorstep.
