## Life At The Top In This Elevated Eckington Residence

Elevated city living awaits in this stunning two-level penthouse condo in the heart of Eckington, offering 3 bedrooms, 3.5 baths, and secure off-street parking. The main level welcomes you with an open-concept layout featuring a sun-drenched living room framed by a large picture window, a spacious dining area, and a gourmet kitchen outfitted with Calacatta Laza Quartz countertops, Bosch stainless steel appliances, and a generous center island.

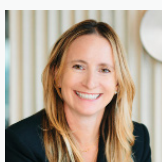

White oak hardwood floors run throughout, complemented by soaring ceilings and 8-foot doors. A guest suite with a full bath and private balcony, along with a stylish powder room, complete the main level. Upstairs, the floating staircase leads to a serene primary suite with a spa-like bath, walk-in closet, and an additional guest suite with its own ensuite bath and private balcony. Each bathroom boasts modern floating vanities, LED mirrors, and waterfall shower heads. Natural light pours in through oversized windows and skylights, while the two private balconies offer perfect spots to sip your morning coffee or relax in the evening. Additional features include a modular IP video intercom system with electric door strike controls and a roll-up garage for secure parking. Ideally located near neighborhood favorites like Big Bear Cafe and Pub and the People, with Union Market, Trader Joe's, Harris Teeter, Quincy Lane retail and the NoMa Metro all nearby.
