Charming Bungalow with a Backyard Oasis in Hyattsville

This charming three-story bungalow in the heart of the Historic Arts District of Hyattsville offers the perfect blend of character, space, and serenity—anchored by a truly rare and unique outdoor oasis that feels like your own private retreat. Situated on a quiet, tree-lined block, the home boasts incredible curb appeal with beautifully landscaped gardens leading up to a welcoming front porch complete with a classic porch swing.

Inside, soaring ceilings, hardwood floors, abundant natural light, and elegant moldings create a warm and inviting atmosphere. The spacious living room features a striking wood stove fireplace that rises two stories, flowing seamlessly into the dining area and a well-equipped kitchen with stainless steel appliances. Step outside to a true outdoor oasis—an expansive deck and peaceful backyard retreat with ample seating, shaded canopies, gardens, ponds, and lush landscaping. A main-level bedroom with a Murphy bed and full bath offers convenience and flexibility.

Upstairs, two bedrooms include one with a built-in loft and sliding glass doors that open to a tranquil balcony, and another with vaulted ceilings and a skylight. A full bath and several storage closets complete the upper level. The finished basement adds a fourth bedroom, half bath, large recreation space, laundry, and generous storage. Driveway parking rounds out this thoughtfully maintained home just moments from shops, dining, and community events.
