Spacious & Modern Reimagined Deanwood Classic Home

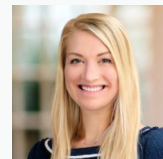

Welcome to 4521 Clay Street NE, a beautifully rebuilt 4-bedroom, 4-bathroom residence offering over 2,200 square feet of contemporary living space across three finished levels. Situated less than a mile from two Metro stations, this home combines modern design with exceptional convenience in the vibrant Deanwood neighborhood. Step onto the inviting front porch and enter a sunlit, open-concept main level featuring gleaming oak hardwood floors, crown molding, and recessed lighting. The gourmet kitchen is a chef's dream, boasting granite countertops, a large center island, shaker-style cabinetry with built-ins, stainless steel appliances—including a French door refrigerator—and gas cooking. A spacious bedroom and full bath on the main level provide flexibility for guests or a home office.

Upstairs, the expansive primary suite impresses with vaulted ceilings and a luxurious en-suite bath. Two additional bedrooms, a third full bath, and a convenient upper-level laundry area with front-load washer and dryer complete this level. The fully finished lower level offers a generous rec room with ceramic tile flooring and a fourth full bath—ideal for entertaining or relaxation. Enjoy outdoor living on the rear deck or in the fenced backyard, perfect for gatherings and everyday enjoyment. With major systems, appliances, windows, and renovation completed approximately five years ago, this turnkey home offers lasting quality and comfort in one of DC's most dynamic neighborhoods.
