# Masterfully Reimagined Residence in Chevy Chase

Welcome to 3803 Ingomar Street NW—a masterfully executed renovation and expansion that marries timeless architecture with contemporary design. Thoughtfully reimagined from top to bottom, this residence offers an open-concept layout perfectly suited for modern living, with 3,795 square feet of finished space across three beautifully appointed levels.

No detail has been overlooked in this five-bedroom, four-and-a-half-bath home, where luxurious finishes deliver both style and peace of mind. The main level features a sun-drenched living room, formal dining area, and a true chef's kitchen with custom cabinetry and premium appliances—all seamlessly connected to a mudroom and a private study or den, ideal for working from home.

Upstairs, generously proportioned bedrooms include a serene primary suite with a spa-inspired marble bath, while each additional bedroom enjoys access to fully renovated, designer bathrooms. The expansive lower level offers remarkable flexibility, with a spacious family room anchored by a fireplace, a legal bedroom, full bath, and a charming flex space—ideal for a creative workspace, home gym, or office.

Outside, enjoy an expansive deck, landscaped rear yard, and an oversized one-car garage—all just steps from the vibrant shops and dining along Connecticut Avenue and Chevy Chase DC. A rare offering—move-in ready, exquisitely designed, and perfectly positioned in one of DC's most coveted neighborhoods.
