Elevated City Living at The Whitman

Welcome to The Whitman Condominiums, where architectural scale and contemporary design converge in the heart of downtown Washington. Complete with garage parking and a thoughtfully proportioned floor plan, this residence offers a rare blend of luxury, comfort, and convenience. Enter through a gracious foyer with wide-plank white oak floors, setting a refined tone that leads to a versatile den—ideal as a private office or guest suite—accompanied by a full bath. Beyond, the home unfolds into a spectacular kitchen renovation anchored by a waterfall-edge peninsula, custom herringbone tile backsplash, sleek cabinetry, and a professional-grade stainless steel appliance suite.

The adjoining living and dining areas provide effortless flow for both entertaining and everyday living, bathed in natural light and extending seamlessly to a private balcony for indoor—outdoor enjoyment. The expansive primary suite serves as a serene retreat, with a spa-quality bath featuring a dramatic rain shower, exquisite designer tile, and impeccable craftsmanship.

Life at The Whitman extends beyond the residence, with resort-style amenities including a rooftop deck with sweeping views of the Washington Monument, an outdoor pool with grilling stations, a fitness center, a stylish club room with billiards, 24/7 concierge and security, and professional on-site management.

Situated just one block from the Yellow/Green Line Metro, the building's premier location places Logan Circle, Shaw, Chinatown, and CityCenter within easy reach. Michelin-starred dining, cultural landmarks, and vibrant nightlife are truly at your doorstep. A turnkey opportunity to experience elevated city living at one of Washington's most distinguished addresses.
