Storybook Cape Cod Charmer in Mount Rainier

Welcome to 4110 29th Street, a picture-perfect Cape Cod that embodies the charm and character of Mount Rainier's beloved 1920s architecture, refined with thoughtful modern updates for today's living. From the moment you arrive, this home captivates with its inviting presence and timeless details. Inside, rich wood trim, gleaming oak hardwood floors, and a wood-burning fireplace set the stage for cozy evenings. The spacious living room with custom built-ins opens to a sun-filled three-season room—an idyllic space for coffee, reading, or quiet conversation.

The renovated kitchen blends contemporary style with classic appeal, featuring white shaker cabinetry, granite countertops, a farmhouse sink framed by a picture window, stainless steel appliances, encaustic tile flooring, and a subway tile backsplash. Just off the kitchen, a newly added laundry area enhances everyday convenience. With two bedrooms and a full bath on both the main and upper levels, the home offers flexibility for a growing household, guests, or home offices. Updated bathrooms, replacement windows, and a modernized electrical system provide peace of mind. The lower level offers an open layout with excellent storage and a ready-to-finish space complete with a quarter bath, ideal for future expansion.

Step outside to your private backyard oasis, perfect for gardening, entertaining, or simply relaxing under the trees. A detached garage, full-length driveway with parking for four or more cars, and ample off-street parking make hosting easy. Just one mile from the Metro and moments from the heart of Mount Rainier, you're surrounded by local favorites like Pennyroyal Station, Mixt Food Hall, Glut Food Co-op, and Little Miner Taco. Move-in ready and full of personality, 4110 29th Street pairs vintage craftsmanship with modern comfort in one of Prince George's County's most vibrant communities.
