Historic & Stately Bayfront Victorian in Dupont Circle

Perched along a picturesque, tree-lined street in the heart of Dupont Circle, this classic Victorian rowhome sits at the epicenter of DC living. Rich in historic character and thoughtfully updated throughout, this residence captures the essence of Washington living, complete with a private outdoor oasis, rare two-car garage parking, and effortless access to the very best of city life. Step inside to a light-filled living room anchored by a gas fireplace, where hardwood floors and original details create a warm, refined first impression. The home unfolds naturally from there, with a dedicated dining room and a well-designed kitchen at the rear featuring premium appliances, a peninsula island, wine storage, and a timeless mix of wood and light cabinetry. Adjacent is a space ideal as a breakfast nook or banquette, adding flexibility for everyday living. Just beyond, a private rear deck with lattice fencing offers a true outdoor retreat, ideal for entertaining or quiet mornings and evenings at home. A powder room completes the main level.

The second level is anchored by a spacious primary suite with hardwood floors, a tray ceiling, and a Juliet balcony overlooking the rear deck. A walk-in closet and a well-appointed bath with a double vanity, standing shower, and clawfoot tub with spa features complete the space. At the front of the home, a second bedroom with a gas fireplace and exposed brick is currently styled as a sitting room, adding both character and versatility. A full hall bath and laundry are also conveniently located on this level. Upstairs, the top floor offers a private suite with a full bath and a walk-in closet that has been thoughtfully built out with a dedicated office area, creating an ideal guest space or work-from-home setup. The lower level is currently used as an office and offers flexible space for a gym, additional living area, or wine storage. It also has direct access to a rare two-car garage, an exceptional amenity in this sought-after location.

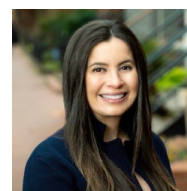

Just outside your door, experience the best of Dupont Circle living with immediate access to the iconic Dupont Circle Park, the Metro, and some of the city's most renowned restaurants, cafés, and shops. Within minutes, you can reach Georgetown, Foggy Bottom, and Kalorama, along with major institutions including George Washington University, the World Bank, and the International Monetary Fund, placing you at the center of both city living and global connectivity. A rare opportunity to own a thoughtfully updated Victorian in one of Washington's most connected and sought-after neighborhoods.
