Modern Living in a Newer Construction Boutique Condo

Welcome to 1019 17th Place NE #1 at TEN19, a boutique condominium in Trinidad where contemporary design meets urban convenience. This newer-construction two-bedroom, two-bath residence offers a thoughtfully designed floor plan, modern finishes, and easy access to some of Washington's most vibrant destinations.

Inside, an open living space unfolds around a beautifully appointed kitchen that anchors the home. Designed for both entertaining and everyday living, the kitchen features Calacatta quartz countertops, stainless steel appliances, modern cabinetry, and a large center island that naturally serves as the home's gathering place. White oak hardwood flooring runs throughout, adding warmth and contrast to the clean, contemporary aesthetic.

The expansive primary suite occupies its own wing of the residence and serves as a true retreat, complete with a walk-in closet and a spa-inspired bath finished with refined contemporary details. A generously sized second bedroom offers the perfect space for guests, a home office, or both, while the adjacent hall bath is equally well-appointed with modern finishes and thoughtful design.

TEN19 offers residents secure building access, an intercom system, bike storage, and low condo fees, creating a comfortable and low-maintenance ownership experience. Perfectly positioned near the H Street Corridor, Union Market, and Union Station, the location places some of the city's best restaurants, cafés, shopping, and entertainment within easy reach. With excellent connectivity throughout Washington, D.C., 1019 17th Place NE #1 presents an outstanding opportunity to own a modern residence in one of the city's most exciting neighborhoods.
