Classic Craftsman Charm on a Coveted Corner Premier Lot

Welcome to 4300 Queensbury Road, a beautifully preserved 1916 Craftsman bungalow offering 4 bedrooms, 2.5 baths, and timeless architectural character on a picturesque corner lot in the heart of historic Hyattsville. Rich in original craftsmanship and thoughtfully maintained over the years, this exceptional home features generous living spaces, off-street parking, and a beautifully landscaped backyard, all in one of the area's most walkable and beloved neighborhoods. A welcoming front porch sets the tone before stepping inside, where original fir flooring on the main level paired with five-panel wood doors, rich trim, built-in bookcases, a brick fireplace, and a classic staircase, reflect the home's enduring craftsmanship. Unlike many renovated properties, this residence retains its traditional floor plan, preserving the warmth, charm, and architectural integrity that define a true Craftsman.

The gracious living room flows naturally into a generously sized dining room before opening to a spacious family room at the rear of the home. Filled with natural light, this flexible gathering space offers direct access to the rear deck and expansive, fully fenced backyard, creating a seamless connection between indoor and outdoor living. Beautifully landscaped gardens surround the home, offering the perfect setting for entertaining, gardening, or simply enjoying the outdoors. The kitchen is a functional and practical space, offering ample cabinetry, laminate countertops, and a mix of appliances including a stainless steel refrigerator. A full bath conveniently located off the family room completes the main level.

Upstairs, three spacious bedrooms feature multiple exposures, large windows, pine floors, and generous closet space, including walk-in closets. A timeless hall bath serves this level, while the finished third-floor attic provides exceptional flexibility as a fourth bedroom, home office, playroom, or recreation space. An additional half bath on this level presents an opportunity for future conversion to a full bath. The unfinished lower level provides extensive storage and outstanding potential for future expansion. Recent improvements include a new roof, along with updates to the heat pump and air conditioning systems. Ideally located, 4300 Queensbury Road is just a short walk to the Riverdale Park MARC Station, Metro access, and neighborhood parks. Local favorites including 2Fifty Texas BBQ, Manifest Bread, Busboys and Poets, Franklin's, Pizzeria Paradiso, Shagga Coffee, and the renowned Riverdale Park Farmers Market, along with Whole Foods at Riverdale Park Station, are all nearby, offering a unique blend of small-town charm and urban convenience.
